This is something members and friends should be excited about. Hume Tennis is turning into an Australian Open interactive Live Site. What does that mean? We will be installing a HUGE outdoor LED screen and playing the Open from 11am each day to late - come down and the watch tennis and then jump on the court and copy your favourite player. There will also be tennis activations over the two weeks, live music on certain nights plus much more. So if you can't get to the Open - Hume has the next best thing. PS - For the adults we have licenced this event - so enjoy a beer or a wine while you watch the tennis.
